### Insurance

Aurora Pediatrics is a preferred provider for multiple insurance plans. As a courtesy we will bill your insurance. Your insurance policy and its terms of coverage is specific to you and your family. Aurora Pediatrics is not able to guarantee the coverage of any specific service or procedure. In order to provide this service we must have the most accurate and up to date information. We will ask you to verify the information both prior to and at the time of your appointment. Please note that inaccurate information may result in a denial which if not correctable, the balance will be your responsibility.

### Balance Due

Once all insurance carriers have been billed the balance remaining is the Guarantor's responsibility to remit payment. A statement will be generated and sent to the financially responsible individual (Guarantor). Custody disputes will not change this requirement and ask that you communicate appropriately to assure payment is made in a timely fashion.

### Past Due Accounts

We understand that many medical expenses are not planned. We offer affordable payment plans and will work with you to find a solution. Account balances older than 120 days with no established payment plan will be reviewed and forwarded to a collection agency.
