

Dr. Butto has semiretired to part-time by joining Alaska Children's Urgent Care and Outreach (907.222.5090). My families are welcome to follow me there with the caveat that I will be working half to three quarter time. To obtain records fill out the ROI on our website www.aurorapediaticsak.com at the FORMS tab or call 907.885.4337 for assistance

I deeply appreciate the trust you've placed in me and the honor of working with families to raise happy, healthy kids. During this transition, we're committed to helping you find the medical home that best meets your needs whether with me or another full time provider.

Below, I've listed available pediatric providers with links to their websites. We'll arrange for charts to be forwarded with the appropriate authorizations. Please let us know what works best for your family.

Thank you again for allowing me and the staff at Aurora Pediatrics to care for your children. Wishing you all the best.

With heartfelt gratitude, Dr. Jody Butto
